Grand High Priest's Message

Companions,

My hope is that when you are reading this message, you are in good health and spirits. Remarkably, how time is flying by and I am writing this article and it is now February. In ancient times, February was the month of purification, but for us in Masonry, this will be the month our newly installed officers will hold their first stated convocation.

This is the time of year for you and your officers to share your ideas and programs with your chapter and members. I have a few suggestions below that you can add to your local programs.

Membership Drive - We all know that in order for an organization to continue, we need new members. In ours, we need blue lodge masons to become York rite masons. When you attend meeting and event at your Blue Lodges, remember that you are the best advertisement for becoming a Royal Arch Mason. You should always be an example for your brethren, which they would want to emulate, and be prepared to talk to your brothers about the Chapter, Council and Commandery.

Social Events – It is always a good idea to include in your years program social events and dinners to bring the wives, family and friends. The type of social gathering will

vary based on your community but I suggest working with all of your officers to plan and set them up.

Masonic Education – Adding education to your program is always a great idea. You can build your education program for two target audiences, the Chapter and the Blue Lodge. Having an education program that shares light at our convocation and also having material prepared to share with our Brethren in the lodges will promote our craft internally and externally.

Guest Speakers -- Bring in guest speakers periodically to speak at your dinners and meetings. Our craft is blessed with so many wonderful speakers who are willing to share light with all of us.

Fund Raising – Fund raisers are a great opportunity to obviously raise funds for great charities but I found that Fund Raising is also a great way for your York rite community to rally around a common goal. Get family member involve and make it fun. You can also use this as a way to promote the Chapter to bring new members.

Remember, in order make your chapter relevant, it all starts with good ritual, great fellowship and by make your meetings and gathering interesting and enjoyable. If you do this, your companions and their families will come. I have a friend who assumed a station in the East, and set a goal to bring more people to his meetings. He held fun events during the stated dinner that involved wives and family members. In that year, attendance at his meetings and dinners more than tripled, so I know it can be done.

As I have always closed with every article I have written this year, for our chapters to be successful and grow, not only the officers of the chapter but also the members must take an active part. If all of us could attend at least 3 chapter meetings (25%) this year, our chapter will become stronger and grow. Remember that; *“without you, they can do little or nothing; with you, they can accomplish great things”*.

“Be safe and I hope I can see you in my travels”.

Fraternally,

**Anthony “Tony” Yuson, KGYCH
Grand High Priest,
Grand Chapter of Royal Arch Masons of California**

“You are the Steps to our Future”

COMPTCHE– 2019

In 2019 we will celebrate the 47th annual conferral of the Capitular Degrees. You well know that 47 is a significant number in Masonry. As explained in the

Hieroglyphical Emblems of the Third Degree lecture, “The 47th Problem of Euclid” was an invention of our ancient friend and brother, the great Pythagoras, who, in his travels through Asia, Africa

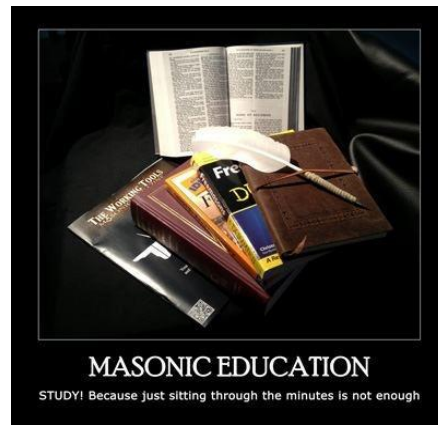

and Europe, was initiated into several orders of Priesthood, and raised to the sublime degree of Master Mason.” **The Comptche Outdoor Degree Association has, therefore, decided to name next year’s class in honor of Pythagoras, and establish a goal of 47 candidates!** To achieve this laudable objective, it is crucial that all Companions begin now to identify prospective candidates, and continue to do so throughout the year, and be always ready to talk about the Royal Arch Degree. **Plan on making a Lodge or a Family vacation out of the event and stay a few days! The Fish Fry Friday night and the BBQ Saturday night are always events of great conviviality, to be enjoyed by friends, brothers and family alike!**

Larry Tunzi, a Companion and owner of the Ranch, allows us to park RVs, or setup tents, on the property in order to enjoy the Festival without excess travel and boarding cost, if you choose to do so. In addition to the cook shack, there is a separate shack for dressing and showering, as well as men’s and women’s facilities. See picture below:

areas under the trees for camping, enjoyed by many Companions each year.

In the following picture, you can see some of the space that is available for parking RVs. Off to the right and left are

Companions,

The semi-annual meeting of the Research Chapter was held in the California Room during Grand Lodge on Saturday, October 20, 2018 at 12:15 PM. All Royal Arch Masons are encouraged to attend. Copies of the Grand Orations booklets, covering 2015-2017, and 2018, were available.

A talk on the importance of Ritual was presented by Grand Lecturer Steve Goad. Afterwards an excellent paper

“Keystone of the Spiritual Journey Within” was presented by the Chapter High Priest, Jonathan Prestage. This paper was prepared by Robert G. Davis, of Oklahoma, and **a synopsis can be found at the end of this newsletter.** The next meeting will be at Grand Sessions on Tuesday, May 21st, at 2:30 pm.

Respectfully Submitted,
Robert A Morrison, Secretary

SECRETARY ESSENTIALS

Forms and Documents you will need are located at the Grand York Rite website, which is: www.yorkriteofcalifornia.org.

Scroll down and click on "York Rite Forms and Documents"

Then click on Grand Chapter logo.

A window opens where you enter the userid, which is "cagyr" and the password, which is "brio"

Scroll down to Officers Manual, which has info for the Secretary, and print that out. Priorities are as follows:

1. **Membership control** -- Especially important is the very last item, "Royal Arch Monthly Report." If you fill this out each month, whenever you encounter changes to the membership, you will find it much easier at the end of the year to produce the year-end report, which is used to compute the amount of per capita the Chapter needs to pay. That payment is due by Jan 15th each year. Important changes to your membership include new members, demits, remits and deaths. Maintain e-mail addresses for members and you can easily then forward the monthly newsletter, The WORKMAN, to them.
2. **Per Capita** -- The Per Capita payment, due each Jan 15th, does not require action by the Chapter to be paid. You will need good, up-to-date membership data in order to compute the end-of-year number of active members that is crucial to computing your per capita payment. Without good data you will most likely overpay your per capita requirement. It is sensible to wait until the first of the new year to begin your process. It is also sensible, if you have access to the Grand Lodge database, to check each member to see if they are still alive
3. **Insurance** -- The Insurance payment, due each July 15th, does not require action by the Chapter to be paid. You will be billed for the payment by the Grand Secretary.
4. **Lodge Book of Marks** – Maintain this up-to-date, or perhaps arrange for a PHP to take on the responsibility of maintaining.
5. **Minutes** – Take good minutes, but don't over-do it by trying to capture everything that is said. Focus on having a clear representation of motions made and the vote count by which they passed or failed. In addition to keeping petitions in a separate file, it is good practice to replicate the basic petitioner information in the minutes. It is also a good practice to keep the names of attendees at each meeting in the minutes. If conferring a degree, keep a copy of the cast members and the candidate(s).

6. **Grand Chapter** – Before the May meeting, remind the Dais officers they are responsible to attend, and arrange a stipend if your Chapter can afford it. Remind members who expect to attend to be sure to take their dues cards. If Dais Officers cannot attend, they may issue a proxy, or the Chapter may elect a representative. The appropriate forms can be obtained on the Grand York Rite website: Scroll to "Elected Representative and Proxy Credentials."
7. **Order of High Priesthood** – Be sure the current HP and PHPs know they are eligible to receive this Order. In fact, it is a Constitutional requirement! Share the petition below with them and send to the Grand Secretary:

THE HOLY ROYAL ARCH KEYSTONE OF THE SPIRITUAL JOURNEY WITHIN

**Abstract from a paper
By Robert G. Davis, Education Committee**

There is an image in Masonry that is as powerful in its symbolic meaning as any encountered in the whole of the Masonic journey. It is the image of two pillars supporting an arch centered by a keystone, behind which is situated a sacred vault. Enclosed within this vault is the Ark of the Covenant. And within this set of symbols is found the great secret of the Royal Arch, and the central thought of Masonry.

And then there is the question of the “incomplete” nature of the Master Mason degree, lending credence to an argument that it was never intended to be the last of the Craft degrees. Certainly, it seems unlikely that a Masonic degree which provides a legend in which something is lost (and another substituted in its place until it can later be found) would represent the pinnacle, or end, of a progressive system of degrees.

When the Grand Lodge of the Ancients established its Constitution in 1751, it made the Royal Arch an essential degree to the Craft system of degrees, thus launching what would eventually become the “ne plus ultra” of Capitular Masonry across the globe. In this degree, we find three candidates in waiting to be “exalted to the august degree of Royal Arch.” The ceremony of exaltation transfers them from the region of symbolic Masonry, wherein lessons in morals and ethics are taught by allegory; into the domain of religion, wherein the nature of God in man is revealed through the discovery of the WORD. ... (Thus) by being joined together, they symbolically ceased to be separate individuals - they now represent the “Complete Man,” comprised of Body, Soul, and Spirit. From this point forward, the three candidates are motivated by a single desire - to be “exalted” to the spiritual plane of being ...
