

SACRAMENTO YORK RITE NEWS

MAY 2021

Sir Knights,

This month - because of our need to attend the Grand Sessions - I have decided to table our Companion Adept of the Temple Program study session until next month. This will ease some of the transition from one virtual meeting to another. So please, stay tuned for our Masonic Education for the month of June. I am sure it will be very engaging and cause some discussion on the various topics related to the Companion Adept of the Temple Program.

If you have never attended a Grand Session before, these meetings are always interesting. We get to see other Knights from the surrounding areas, share ideas, and maybe purchase a little masonic memento for keepsake or for a gift for a worthy brother. By attending, we remain visible to our Grand Commandery and participate in voting on the various legislations that affect our organization.

Getting involved is how we mold the future of this Commandery. I hope to see many of you on the call. We are there to help our fellow weary pilgrims traveling from afar. To join with those who have come this far. And join in with our fellow knights at this Holy Sepulchre.

Luis J. Montero
Commander

Companions, May has arrived and with it our Stated Assembly. There has been some movement regarding the potential for in-person Council meetings. The Grand Master of Masons in California issued information and guidance in regards to what conditions must be satisfied for indoor private events. The aforementioned directives are also those to be applied to the York Rite Bodies. One last reminder to register for the Virtual Grand Sessions before May 8th if you would like the experience without the travel. Sincerely,

Joseph Wallach
Illustrious Master

Companions, On April 21st, our Grand High Priest **Richard Bullard**, issued a Directive concerning the reopening of Chapters of Royal Arch Masonry in California. Since it is my goal to provide the Companions with the best possible membership experience while reopening for indoor events with your safety, rights, and benefits as my top priority, I have prepared a survey for you - click below to participate. <https://survey.zohopublic.com/zs/4aBUvV> I would like to hear your opinion. I can't thank you enough for your contribution.
